# INTRODUCTION

Our parent company Sankhya was **founded in 1986** by our founder **Mr.Gopal Raheja** who is a veteran in sourcing in the garment industry with a wide spectrum of experience in USA market in servicing to the premium retailers and brands.

He has been **honored for his contributions**, as a **pioneer in Bangladesh apparel manufacturing industry** by BGMEA “Bangladesh Garment Manufacturers and Exporters Association”.

Currently the business operation is managed by the second generation under the direction of Mr.Gopal with a professional team and **operations are widespread across India, Bangladesh ,Kenya , Pakistan and Sri Lanka.**

***We are specialized in providing customized sourcing solutions...***

Today Sankhya Sourcing is a **versatile sourcing company** which cater the **full product range in apparel** for **reputed USA and European Brands and Importers** as a **trusted sourcing partner.**

The Company has its **own fabric sourcing arm which is GM yarn and Fabrics** , specialized in sourcing raw materials including yarn, greige and finished fabrics from India.

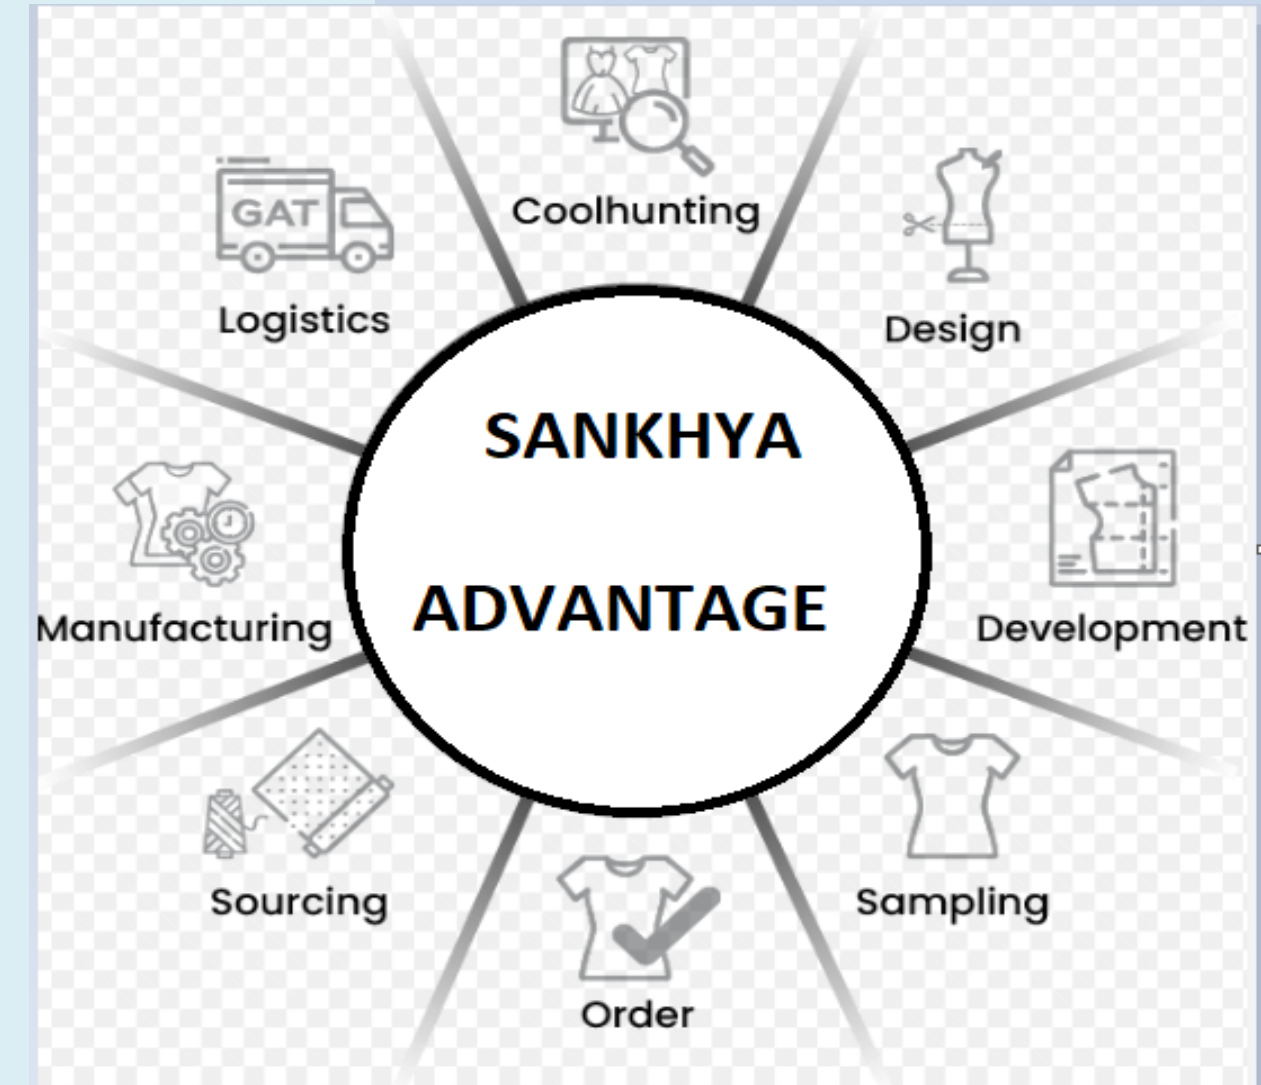

Sankhya has a **strategic partnership with Hwear Limited**, based out of **Shanghai China** as the sourcing partner for the raw material supply from Far East and China. Hwear Limited has nominations as a preferred fabric supplier for many leading US and European Brands.
